ABOUT US

Built on Precision. Trusted for Quality.

Established in 2005 at Ballabgarh, Faridabad, Mohit Rubber Industries manufactures a comprehensive range of EPDM rubber profiles, gaskets, seals, and custom-extruded components. We serve the UPVC window, aluminium door, and industrial sectors with products that meet IS 11149 specifications.

Our facility houses Kneaders, Extruders, Mixing Mills, Curing Ovens, and Boilers — all operated by an experienced team committed to on-time delivery at competitive prices.
